

CURRICULUM VITAE

Tyson E. Green, DPM

4213 Maidstone Drive

Lake Charles, LA, 70605

Telephone: (225) 287-2555

Fax: (254) 771-7766

Email: tegreen@centerforortho.com

GENERAL INFORMATION:

Personal Data:

Citizenship: USA
Date of Birth: August 16, 1978

Education:

2006	DPM	Temple University School of Podiatric Medicine	Philadelphia, PA
2000 – 2002	Biochemistry	Louisiana State University	Baton Rouge, LA
1997 – 1998	Marketing	Wichita State University	Wichita, KS

Post Graduate Medical Education:

2008 – 2009	Chief Resident, Podiatric Medicine and Surgery	Scott & White Memorial Hospital	University of Texas A&M Health Sciences Center
		Temple, TX	
2006 – Present	Resident, Podiatric Medicine and Surgery	Scott & White Memorial Hospital	University of Texas A&M Health Sciences Center
		Temple, TX	

Honor and Awards:

1. Chief Resident Appointment for 2008 – 2009
2. Resident Research Board at Scott & White Hospital for 2008 – 2009

RESEARCH:

Scientific Presentations and Posters:

1. Epidemiology of Lower Extremity Fractures in the Diabetic Population—Poster Presentation American Podiatric Medical Association Annual Scientific Meeting—Honolulu, HI (07/08)
2. Podiatric Trauma and Emergencies—Oral Presentation at Biannual Emergency Medicine Scientific Conference—Temple, TX (08/08)
3. Charcot Arthropathy—Oral Presentation at Annual Foot Care Symposium—Bastrop, TX (08/08)
4. Tran Metatarsal Amputations—Oral Presentation at Annual Foot Care Symposium—Bastrop, TX (08/08)
5. Complications Following Ankle Fractures Treated Operatively Are Disproportionately Higher in Diabetics Vs. Non-Diabetics—Abstract Presentation acceptance at the American Diabetic Association Annual Scientific Meeting—New Orleans, LA (06/09)
6. Complications Following Ankle Fractures Treated Conservatively Are Significantly Higher in Diabetics Vs. Non-Diabetics—Abstract Presentation acceptance at the American Podiatric Medical Association Scientific Meeting—Toronto, Canada (06/09)
7. Epidemiology of Hip, Ankle, and Foot Fractures in Diabetics Population and Relative Risk Associated within this Population—Poster Presentation acceptance at the American Podiatric Medical Association Scientific Meeting—Toronto, Canada (06/09)

Areas of Research Interest:

1. Fracture Complications in Diabetics
2. Amputation Prevention in High Risk Diabetics
3. Epidemiology of Diabetes Related Amputations in Minorities – The Diabetic Foot
4. Footwear and Insoles to Prevent Re-Ulceration in High Risk Diabetics
5. Screening Protocol in Pediatric Type I Diabetics

Current Projects:

1. Ankle Fractures in the Diabetic Population – Literature Review – Publication currently pending
2. Epidemiology of Lower Extremity Fractures in the Diabetic Population – Retrospective Study – Publication currently pending
3. Lower Extremity Complications in Dialysis Population – Prospective Study – Publication currently pending
4. Risk Stratification, Screening Parameters, and Education for Pediatric Patients with Diabetes – Current Practice Analysis – Publication currently pending
5. Complications in Diabetics vs. Non-Diabetics with Trimalleolar and Bimalleolar Ankle Fractures – Retrospective Study – In Progress
6. Musculoskeletal Interdisciplinary Study of Diabetic Ankle Fractures – Prospective Study – In Progress

SERVICE:

Professional Affiliations:

1. Current Professional and Scientific Organizations and Societies:

2006 – Present	American Podiatric Medical Association
2007 – Present	American Diabetes Association
2006 – Present	Texas Podiatric Medical Association
2006 – Present	American College of Foot and Ankle Surgeons
2007 – Present	European Association of the Study of Diabetes

2. Mission Work:

February 2008	TPMA Mexico Mission Trip – General Podiatric Medical Management and Surgical Repair of Clubfoot and other Congenital Deformities in an Indigent Population.
